All - For our meeting tomorrow AM, I have also attached the original letter from Sunnyside Gold Co. proposing their "game plan", ARSG's timeline of the "game plan" and EPA very rough draft of a response to SGC's game plan that could be used a starting point for a joint letter from all 3 agencies to SGC inviting them to conduct certain investigation and response activities.

All - Attached is the draft agenda for our meeting on Thursday, October 2nd @ 10:30 AM in the EPA Conference Center or if you are calling-in, the call-in number and conference code are provided below. If you have any questions or would like to add something to the agenda, please feel free to give me a call.

Thank you. Paula Schmittdiel

All- I sent most of you an email last week suggesting a meeting the 1st or 2nd of October as a follow-up to our meetings in Silverton-Durango the week of Sept. 22nd. I have scheduled the meeting for Thursday, October 2nd from 10:30 AM till 12:00 Noon.

The purpose of the meeting will be to do a de-brief of the meetings and to discuss the next steps - especially the drafting of a joint letter to SGC on their game plan from the 3 agencies - EPA, BLM and CDPHE. I will arrange a conference room in the conference center for those of you that are in Denver and can make to the meeting. For those of you on the west side of the state, we'll use my conference line.

Conference Code

I would appreciate it if you would reply if you will be able to attend or not. I will be in Silverton-Durango all next week so I may not be able to respond quickly if you have a question.

I am scheduling this meeting for Oct. 2nd as I will be out of the office the following 2 weeks on annual leave and didn't want to wait until the 3rd week of October to do a de-brief and discuss follow-up steps. Hopefully most of you can make the meeting.

Thank you.
